Re: Covid-19 Update

Dear Parents/Guardians,

In light of the continued increase in active cases of Covid-19 in Nova Scotia, specifically in the Eastern Zone and our neighboring communities, all schools under the Eskasoni School Board (including the daycare) will remain on a learn-at-home model for the next three (3) weeks. We will reassess and update on or before May 31st, 2021.

We encourage all of our staff, students, and community to remain vigilant to stop the spread of Covid-19 in our province i.e., testing, social distancing, limited gathering, and adherence to provincial guidelines.
