Re: Re-Opening

Dear Parents/Guardians,

In light of the reduced number of cases in Nova Scotia and particularly in the Eastern zone, all schools under the Eskasoni School Board will begin to reopen for in-person learning. Staff will return to work on Wednesday, June 2nd. Students will return on Monday, June 7th to a 4-day in-classroom learning model (Mondays-Thursdays), with Friday remaining a day for learning at-home.

All staff and students must wear masks at all times. We continue to encourage all of our staff, students, and community to remain vigilant to stop the spread of Covid-19 in our province i.e., vaccinations, testing, social distancing, limited gathering, and adherence to provincial guidelines.
